

QUARTERLY WATCH

Volume One Fall 2019

Why "Quarterly Watch?"

We will be sending out these updates during the end of each quarter of the year.

We have been praying for the Lord of the harvest to empower us to send more laborers.

This is an exciting season of closely watching what God will do and meticulously following the leading of the Lord as we move forward one faithful step at a time.

The journey continues...

Updates on the organization:

- We are in conversation with Bethel World Outreach Church in Brentwood, Tennessee regarding the possibility of using A Buck A Day for their mission campaign in January, 2020.
- The National Bible Day Foundation in the Philippines will be using our "Go Make Disciples" shirts as part of their celebrations next year. Details on pp. 2.
- We are grateful to God for providing suppliers to carry the brand's merchandise here in the US and in the Philippines. This is an answer to one of our prayer points requested in the last quarter's newsletter.
- The campaign for A Minute A Day To Pray is ongoing. Please join us at www.abuckaday.org/pray-for-the-harvest.

"Faith is deliberate confidence in the character of God whose ways you may not understand at the time."

- Oswald Chambers -

DIVINE CONNECTION

TIME WITH THE CAMCAMS

It has been a joy to see God establishing divine connections to help us build up Christ's kingdom.

Last July, Jonathan Camcam and his wife, Joann, came to our house in Nashville to reconnect with close friends. We shared the vision of A Buck A Day with them. As it turns out, he is currently working on a project in the Philippines with Senator Manny Pacquiao. A resolution was introduced by Senator Pacquiao to celebrate National Bible Day. It was signed into law by President Duterte as a special

working holiday observed every last Monday of January every year.

Jonathan requested if the GoMakeDisciples shirt can be part of the National Bible Day celebrations. Of course, it would be our privilege to see this happen. He brought a couple of the shirts as a gift from us to Senator Pacquiao. We pray this will grow and be fruitful in the Philippines.

Prayer Points:

- That God will help us establish strategic partnerships with people and organizations who share the same vision.
- That we will establish a strong relationship with our suppliers and gain traction in using the brand to help build the mission funds of organizations.
- That God will give us favor, boldness, wisdom, and perseverance as He shows us a clear direction for the organization.

We are grateful for your partnership.
