

# QUARTERLY WATCH

Volume One 2020

## Vision

To fund a global harvest of souls, empowering every believer to take part in fulfilling the Great Commission.

## Mission

Helping fund the underfunded to reach the unreached.

## Why a buck?

Imagine if every believer gives a buck a day to support the global work of missionaries, what an impact! Collectively, we will be able to build up Christ's Kingdom to reach every nation.

## UPDATES FROM A BUCK A DAY:

- We started the year focusing on the completion of the business model of A Buck A Day. Grateful for the input of several mission-minded friends and partners.
- Gave financial support to a missionary couple who works among the people in Lviv, Ukraine.
- Connected with Pastor Fady Al Hagal, founder of International Leadership Coalition here in Nashville.
- Endorsement from Dr. Rice Broocks was received. See details on the next page.
- The Coalition for Global Mission, the first missional organization that partnered with ABAD, expanded their network in the Philippines. See the story on the next page.
- As we reflect on what's happening around the world right now, we want to express how grateful we are that you are part of A Buck A Day in building up Christ's kingdom.

"He is no fool who gives what he cannot keep to gain what he cannot lose."

## ENDORSEMENT

Dr. Rice Broocks, the co-founder of Every Nation Churches and author of the "God's Not Dead" book endorses A Buck A Day. Here's what he says:

*"Eben Tabelisma has been a trusted friend for many years. His passion for reaching the world for Christ has birthed this wonderful strategy of "A buck a day". I am grateful for the wisdom he has provided for our outreach to the campuses of the world."*

## FINANCIAL SEED SOWN

World Harvest Church in Roswell, Georgia through the leadership of Pastors Mirek and Linda Hufton, sowed into A Buck A Day. During the initial meeting last year, they learned about the heart of ABAD. This church is a mission-loving church. They exist to *"train and inspire a loving family of believers to effectively share their faith with non-believers in creative and compassionate ways, and to raise up leaders to carry the message of the local church to the world."* They will use the "A Buck A Day" idea as they raise funds for their various mission programs.

## CGM PHILIPPINES EXPANDED

One of A Buck A Day's missional partners, the Coalition for Global Missions, through the leadership of Bishop Edwin Villagomez, has expanded their network. Elected to head the Call2All Bicol region, he now leads two thousand pastors in six provinces. Call2All is a global movement that encourages all believers to take part in the Great Commission. With this opportunity, CGM is strategically positioned to inspire and equip multiple churches to raise more missionaries who will go to the unreached people groups in the 10/40 window.

## PRAYER POINTS:

- That more people will heed God's call to take part in reaching the unreached people groups of the world.
- That God will continue to help us establish strategic partnerships with people and organizations who share the same vision of fulfilling the Great Commission.
- That the new relationships with Pastor Fady Al Hagal and Pastor Mirek Hufton will develop deeply as we advance the kingdom of God.
- That God will give us the financial and human resources that will enable the organization to be fully operational.

**We are grateful for your partnership.**
