

QUARTERLY WATCH

Volume One Summer 2019

Why "Quarterly Watch?"

We will be sending out these updates during the end of each quarter of the year.

We have been praying for the Lord of the harvest to empower us to send more laborers.

This is an exciting season of closely watching what God will do and meticulously following the leading of the Lord as we move forward one faithful step at a time.

The journey continues...

Here are the updates of the ministry:

- The brand "GO Make Disciples" is now a registered mark. The certification was approved by the US Patent & Trademark Office on May 14, 2019. See page two for the story behind the brand.
- Partnering with Coalition for Global Missions in the Philippines is almost complete. This is the first organization to affiliate with A Buck A Day. We are excited to partner with them in raising financial support to release missionaries into their destiny, helping transform nations.
- We have started working with suppliers to carry the brand's merchandise here in the US and in the Philippines.
- The campaign for A Minute A Day To Pray is ongoing. Please join us at www.abuckaday.org/pray-for-the-harvest.

"Your value in the kingdom of God is found not in how much good you can get from God, but to what extent you let Him use you for the good of others." - Tony Evans

THE GENESIS

God is patience personified. This brand took about thirty years to accomplish. He sure has perfect timing.

It was probably a year before I had a personal relationship with Jesus Christ that I memorized Matthew 28:19 at a Bible class in the Philippines I was attending with friends.

Over a decade later, knowing that verse by heart, I was awakened around 4:00 in the morning. I started reading Luke 5 where Jesus called the first disciples. He had said to Simon, "Put out into the deep and let down your nets for a catch." Simon replied, "Master, we've worked hard all night and haven't caught anything. But because you say so, I will let down the nets." When the great I AM speaks, so it IS.

There was the toil. Then there was the obedience. Notice that it took more effort and time to do the toil without God's direction - ending with no results. But, when we obey God, there is clarity, connection, completion, and a copious harvest. The fulfillment of the vision will not tarry as Habakkuk 2:2-4 says.

Prayer Points:

- That God will help us establish strategic partnerships with people and organizations who share the same vision.
- That we will be connected with the right suppliers for the brand's merchandise here in the US and in Asia.
- That God will give us boldness, wisdom, and perseverance as He shows us a clear direction for the organization.

But, when we obey God, there is clarity, connection, completion, and a copious harvest. The fulfillment of the vision will not tarry as Habakkuk 2:2-4 says.

THE VISION

A couple of years ago, the image of the letters G-O-D, with D formed by the two words "MAKE DISCIPLES" kept popping in my head. I did not know what to do with this until Eben started the organization A Buck A Day. We decided to have a designer create several options so we can have the idea realized.

Our desire at A Buck A Day is to Build Up Christ's Kingdom through a global harvest of souls. One of the ways we believe we can accomplish this is by empowering churches, ministries, and organizations to raise funds through the sale of the brand's merchandise so they can "go make disciples." Ephesians 4:16 says, "When every part of the body of Christ does its share, it causes growth of the body for the edifying of itself in love."

There is a great harvest waiting. Let us work together in obedience to God. Together we can do much for God's glory and the advancement of His kingdom.
